NPIC/P&DS-18/65  
19 January 1965

MEMORANDUM FOR: Chief, Support Staff, NPIC  
ATTENTION: Chief, Logistics Branch, SS  
SUBJECT: [REDACTED]

25X1A

1. It is requested that this contract be amended as follows:

a. Change sub-paragraph 2 of "Deliverable Items" to require delivery of one hundred (100) printed copies and one (1) reproducible copy of Part I ("Microdensitometry Handbook") and twelve (12) printed copies and one (1) reproducible copy each of Parts II ("Equipment Capability Study") and III ("Advanced Microdensitometer Concepts") of the Final Report.

b. Change the "Special Provisions" so the Contractor may retain three (3) printed copies each of Parts I, II and III of the Final Report. Retention of the three copies will be subject to the same limitations regarding revelation to an outside source.

25X1A

2. During a telephone conversation with [REDACTED] Head of the Systems Research Department, [REDACTED] on 13 January 1965, P&DS, gave oral approval of the draft of Part I of the Final Report.

25X1A

25X1A

3. On 14 January 1965, [REDACTED] stated to [REDACTED] that [REDACTED] could provide one hundred printed copies of Part I instead of the previously agreed upon quantity of twelve copies. This will be at no increase in cost for this contract. A copy of the letter that accompanied the shipment of [REDACTED] information.
